

CAR WASH SOAPS

SUPER CHERRY SUDS - CONCENTRATED CAR SOAP - AG 15

Thick, highly concentrated liquid soap that quickly removes dirt and grime. It features thick, rich foam, fortified surfactants, a film free rinsing action and a neutral fragrance.

HAWAIIAN SHINE - WASH AND WAX - AG 16

Originally formulated for the severe salt sprays for the Hawaiian islanders. It has been found to be especially good for cars. It's a revolutionary car wash soap that contains SILICONE which imparts a strong shine to each car washed with the product. You have never used anything like this before. It is truly a product of the millennium.

SPRAY WAX W/RINSE AID - WATER SPOT REDUCER - SWR 215-P

A liquid concentrate that is added to the car wash rinse cycle to minimize spotting. One gallon treats 500 gallons of water. May be premixed in bulk or injected.

FALL OUT GEL - INDUSTRIAL FALL OUT REMOVER - FLG 146

An easy to use liquid that is designed to quickly dissolve industrial fallout. Manufactured for both new and used vehicles; for use in body shops, prep shops, vehicle washes and detail shops.
