

SPECIALTY PRODUCTS

ADHESIVE & LABEL REMOVER - TAR & WAX REMOVER - AG 26

Easy to use solvent that quickly and safely removes grease, tar and wax from exterior surfaces. This fast drying, ready-to-use product is also an excellent interior spot remover.

BUG REMOVER - INSECT DEBRIS REMOVER - AG 06

A truly technological breakthrough. Cutting edge chemistry has developed this specific formulation to literally dissolve bugs, bug spots and bug parts (gray matter). Designed for all painted surfaces, this fantastic product does even more ... it dissolves bugs in the radiator core.

FABRIC GUARD - REPELS LIQUIDS ON FABRIC - VOC 310

Deep penetrating protectant that evaporates quickly leaving an invisible protective barrier. Use to treat new or used fabric. Can help to lengthen the life of fabrics and make clean up easier.
